§ 3

COSTS

§ 4

The NVF committee does not have its own finance and cannot enter into economic agreements. If the committee organises open seminars, or if the committee plans to take part in activities that include financial transactions, the committee must contact the NVF secretary in one of the six national NVF departments. If the national department wishes to support the activity, an agreement may be entered into between the national NVF department and the other party (e.g. organiser of the seminar).

MEETINGS

§ 5

The committee must meet at least once a year and whenever necessary. The time and place of the committee's meeting must be entered on the calendar on NVF's website. Committee meetings in Iceland and the Faroes must be approved by the department board in Iceland, the Faroes, who are entitled to limit the number of committee meetings per year in their country.

Minutes must be taken and published on the committee's section of the Association's website.

§6

Decisions made at committee meetings must be reached by simple majority and open voting. Failure to reach a majority decision must be recorded in the minutes of the meeting.

The committee shall also:
