

13<sup>th</sup> September 2007

This is to confirm that **Ms Tanu Priya Uteng** attended **two** modules from the **Transport MSc** Cluster presented by the Department of Civil & Environmental Engineering at Imperial College London, during the spring term 2007, as part of the College's Continuing Professional Development programme.

**Ms Tanu Priya Uteng** also submitted assessed coursework and took examination associated with these modules, resulting in the following marks being awarded.

<b>Quantitative techniques for transport engineering and planning</b>	<b>62%</b>
<b>Understanding and modelling travel behaviour</b>	<b>69%</b>

It should be noted that participation in these modules and completion of assessed work and examinations as part of the College's Continuing Professional Development programme is not considered as contributing in any way towards the award of the MSc Degree of the University of London.

Dr Mervyn Jones  
Director, Centre for Professional Development
